14 September 2017

Dear Parents/Guardians;

This year we take pride in providing our cadets with a fall camping experience. This hopefully will become an annual tradition which will provide the cadets with lasting memories and great experiences.

We will be holding the camp at a Scout facility near Stouffville ON, called Woodland Trails. **Drop off is at Maplewood Lodge.** We will be staying at the Maplewood and Hickory Hill Lodges. Both lodges have bunks, with room for 24 cadets and staff, indoor washroom facilities and a galley kitchen area, and work areas.

We will be participating in many varied outdoor activities all related to the camp theme of team work and use of skills learned during our regular Navy League training. We expect to be outside for most of the training.

**An Ontario Health Card** must be submitted for all officers and cadets attending. **If any information has changed since registering your cadet, please submit a new NL205e Medical Questionnaire** (link: <https://navyleague.ca/wp-content/uploads/2017/03/NL205E-Medical-Questionnaire.pdf>) either with the camp application or to the Camp Admin Officer upon arrival.

**Cadets should have something to eat before arriving at camp.** Cars can drop cadets and their kit off at Maplewood Lodge, but there is very limited parking. Also, be aware that the road may be a bit wet/bumpy depending on weather conditions. There is a main parking lot that can be used and cadets can be walked into the site. (See attached maps.)

Please email or speak with me if you have any questions.
