Attendance is very much encouraged during our tagging sessions. Without our cadets present at tagging, we couldn't do many of our subsidized activities planned this year. The Branch works hard calling stores in the area to make arrangements for cadets to tag at their stores. The cost of Laser Tag for your cadet is determined by the amount of tagging shift completed.

Our training is coming to a close for NEs to LCs and our level tests will take place in January. We will begin January with a review session plus any other make up classes before we dive into level tests. Levels need a pass of 60% for promotions that take place in January and attendance of 80% on parade nights. **Contact me for special test considerations at [co@nlcccarinthia.com](mailto:co@nlcccarinthia.com)**

**NEW ENTRY INTAKE IS JANUARY 9 2020 1915. REGISTRATION FORMS WILL BE ON OUR WEBSITE.**
